Review Log – System Test Plan Version 1.0

Author: Aakash Thakkar

Please make the following modifications:

- Update the changes decided in stakeholders.
- Leave necessary space between two topics.
- In the "Test Items" the "Web-Portal" is not defined as a new point.
- In the "Test Items" while defining a test item the first letter has to be kept capital.
- The two cases in the "Transaction" test item should be shown as sub points with bullets.
- Typo in "Features not to be tested" itself is spelled itsled.
- There are no bullets kept in "Approach".
- Grammatical mistake in Approach point one.
- Indentation of "Types of testing" has to be properly indented.
- Last point of "System level testing" has to be in single line.
- Bulleted point of Regression testing should be properly indented.
- After the 14th point i.e Responsibilities instead of "15" the next point is denoted as "13"
